ORDER DENYING MOTION
TO STRIKE COMPLAINT

Case No. 2:12-cv-23-DN

District Judge David Nuffer

Pro Se Defendant Terry L. Harper has filed a motion to strike the complaint.¹ In his motion Mr. Harper asserts again, as he did in his earlier motion to dismiss,² that the Receiver lacks standing to bring this action. This issue and the other jurisdictional issues Mr. Harper raises in this motion have already been fully resolved by the court.³ Furthermore, the court has instructed Mr. Harper that it will not reconsider these arguments.⁴

IT IS HEREBY ORDERED that the motion to strike⁵ is DENIED.
