ORDER

Before **GORSUCH, O'BRIEN, and HOLMES**, Circuit Judges.

This matter is before the court on appellant's petition for a comprehensive review by the full panel of appellate judges which has been construed as a petition for rehearing en banc. As such, the petition for rehearing is denied.

The petition for rehearing en banc was transmitted to all of the judges of the court

who are in regular active service. As no member of the panel and no judge in regular active service on the court requested that the court be polled, that petition is also denied.

Entered for the Court

A handwritten signature in cursive script, reading "Elisabeth A. Shumaker", with a long horizontal flourish extending to the right.
