SO ORDERED.

DATED this 4<sup>th</sup> day of August, 2014.

BY THE COURT:

  
 Bruce S. Jenkins  
 United States Senior District Judge

EXHIBIT A

Judge Jenkins reported back on the assignment of ancillary cases when the court has appointed a receiver. After exploring options such as direct assignment of all cases to the appointing judge, he and Louise had arrived at a different procedure which would adapt to several different situations. At the time the receiver is appointed, the clerk, the receiver and the judge will meet and discuss the nature, scope and number of ancillary matters which are anticipated to be filed. Ancillary matters will continue to be randomly assigned unless the judge who appointed the receiver orders that they be directly assigned. Judge Kimball moved that this policy be adopted. Judge Stewart seconded the motion which passed unanimously.
