TWENTY-SECOND STATUS REPORT OF R. WAYNE KLEIN, RECEIVER

For the Quarter Ending December 31, 2017

2:12-cv-00591 BSJ

The Honorable Bruce S. Jenkins

R. Wayne Klein, the Court-Appointed Receiver (the "Receiver") of National Note of Utah, LC ("National Note"), as well as certain subsidiaries and entities affiliated with National Note and the assets of Wayne LaMar Palmer ("Palmer"), hereby submits this Twenty -Second Status Report for the period October 1, 2017 through December 31, 2017 (the "Reporting Period").

I.

PROCEDURAL HISTORY

This action (the "<u>Civil Case</u>") was commenced by the United States Securities and Exchange Commission (the "<u>SEC</u>") on June 25, 2012, against Defendants Palmer and National Note by the filing of a Complaint in the United States District Court for the District of Utah (the "<u>Court</u>"). The Court held a trial on November 2, 2015 and on November 30, 2015 entered judgment against Palmer and National Note. ²

On August 19, 2015, a grand jury indicted Palmer and his cousin, Julieann Palmer Martin. On February 5, 2017, both pleaded guilty. Palmer pleaded guilty to two felony counts: a scheme and artifice to defraud and money laundering. Ms. Martin pleaded guilty to one felony count of concealing fraud by another. The sentencing hearing originally scheduled for November 29, 2017 was postponed while the Court considers briefing on the amount of restitution owed. Briefing is due to be completed in February 2018. A new sentencing hearing has not been set.

REAL ESTATE TRANSACTIONS

Attached hereto as <u>Exhibit A</u> is a chart setting forth the status of all real properties in the Receivership Estate as of December 31, 2017. Five primary properties remain in the Receivership Estate: 39 lots located in the "<u>Elkhorn Ridge</u>" subdivision in Malad, Idaho; the "<u>Deer Meadows</u>" property located near Duchesne, Utah; one industrial lot located in the "<u>Byron Industrial Park</u>" in Minnesota; the "<u>Overland Trails</u>" property located in Eagle Mountain, Utah;

and the "Expressway Business Park" land located in Spanish Fork, Utah. Progress was made in the sale of three of these properties during the Reporting Period.

- A. Real Property Sales Closed During the Reporting Period. The remaining holdings at the Expressway Business Park, consisting of approximately 30 acres of real property, were sold at a Court-authorized auction held on November 13, 2017.³ Five bidders qualified to participate at the auction, and the auction produced a high bid of \$775,000. The sale to the highest and best bidder closed on December 22, 2017. After payment of closing costs, sales commissions, and nine years of unpaid property taxes (\$250,093.18), net sales proceeds in the amount of \$471,921.51⁴ were deposited in the Receivership Estate's Real Estate Holding Account inasmuch as there are disputed ABI and trust deed interests which have been recorded against the property. The Receiver believes that these interests will be withdrawn or invalidated.
- B. <u>Property Offers Subject to Court Approval</u>. During the Reporting Period, the following progress was made related to two properties:
- 1. <u>Elkhorn Lot #25</u>. On November 6, 2017, the Receiver filed a *Motion*Requesting Order Approving Sale of Elkhorn Lot 25 Free and Clear of Interests and

 Memorandum in Support, seeking Court approval to sell Elkhorn Lot #25 for \$25,200.5 On

 December 4, 2017, the Court entered an Order related to the publication notice published in

newspapers in Salt Lake City, Utah and Malad, Idaho.⁶ A hearing on this Motion was conducted after the close of the Reporting Period, on January 16, 2018, and the Motion was granted. The closing and results of this sale will be described in the next Status Report.

- 2. <u>Byron Industrial Park</u>. In late December, after years of attempting to sell this property, the Receiver reached an agreement in principle for the disposition of this property in a manner that will benefit the Receivership Estate. Debts for development bond assessments and property taxes appear to exceed the market value of the property. Nonetheless, under the contemplated agreement, the Receivership Estate will be paid \$10,000 to release its interest against the property. The Receiver will report on the contemplated motion seeking Court approval of this agreement in his next Status Report.
- C. Other Actions Related to Property Sales. Although the Deer Meadows property has been marketed for sale for several years, there has been nominal interest in it.

 Accordingly, the Receiver has reconsidered his options related to this property, and has determined that he needs further information about the value of the property and a new agent to assist him in selling the property. On December 22, 2017, the Receiver filed a Motion for Court to Appoint Appraiser for Deer Meadows Property and Memorandum in Support, which was granted by this Court by Order entered on January 2, 2018. Additionally, the Receiver has engaged a new listing agent, and he hopes that obtaining a fresh valuation of the property and the new listing broker will generate interest in the property.

⁷ Docket Nos. 1334 and 1136.

III.

STATUS OF REAL ESTATE INTERESTS

A. Assignments of Beneficial Interest ("ABIs"). As noted in prior Status Reports, all but three of the 349 ABIs issued by National Note to investors have been voluntarily released or resolved. This Court has ruled that the remaining three ABIs are invalid, but the holders of those ABIs filed an appeal of the Court's Judgment on December 22, 2016 in the United States Court of Appeals for the Tenth Circuit (the "ABI Appeal"). The matter was referred to mediation, but efforts by the Tenth Circuit mediator failed to produce a settlement.

On October 30, 2017, the Tenth Circuit requested supplemental briefing on whether the ABI Appeal was filed timely, whether the pending sale of certain property made the appeal moot, and the effect on the ABI Appeal of one of the Appellant's allowed proofs of claim.

Supplemental briefs were filed with the Tenth Circuit by both parties, and the Appellants filed a motion in this Court entitled "FRCP Rule 60 Motion to Correct Docketing Error" (the "Rule 60 Motion"). The Receiver filed a Response to the Rule 60 Motion. 11

After oral argument on November 15, 2017, the Tenth Circuit partially remanded the ABI Appeal to this Court for the purposes of a ruling on the Rule 60 Motion. The Court held an evidentiary hearing on November 28, 2017, and at the close of the hearing, the Court requested

post-hearing briefs. Both the Appellants and the Receiver filed briefs, and the matter is currently under advisement.¹²

- B. <u>Deeds of Trust</u>. Of the thirteen properties on which deeds of trust had been recorded at the time of the Receiver's appointment, all deeds of trust have been satisfied or released except as to the two properties noted below.
- 1. Overland Trails, Eagle Mountain, Utah: There are six deeds of trust remaining and recorded against this property, claiming to secure a total of \$252,136.91 in debt.

 The Receiver does not believe that all of these deeds of trust are valid, but he is attempting to sell the property before incurring expense to dispute the interests.
- 2. Expressway Business Park, Spanish Fork, Utah: There are three remaining deeds of trust recorded against this property held by Westar Equities, Jeff Sessions, and Evolution Holdings LLC. The Receiver does not dispute the lien held by Westar Equities, and it was paid off at the closing of the sale of this property discussed above. The Receiver disputes the remaining liens, and has demanded release of the liens. On December 28, 2017, Mr. Sessions provided a release of his lien. The Receiver is informed that Evolution Holdings, LLC will also release its lien. These releases will be discussed in the next Status Report.

¹² Id., Docket Nos. 546, 556, 559.

IV.

LITIGATION/SETTLEMENTS/COLLECTIONS

The following occurred during the Reporting Period with regard to recovery efforts:

- A. Wilton Battles Judgment. After paying \$4,700.00 under the terms of a 2013 Court-approved settlement agreement, Mr. Battles defaulted on his payment obligations. At the request of the Receiver, a confession of judgment was entered on May 5, 2017 in the total amount of \$24,876.82, 13 and based thereon, the Receiver recorded an interest against property owned by Mr. Battles. On October 2, 2017, the Receiver was served with a summons and complaint by a lender seeking to foreclose its interest in the same property, which included a junior lien that had been filed by National Note. The Receiver notified the plaintiff that its action was stayed by the Receivership Order. The plaintiff in that action has agreed to put the foreclosure proceedings on hold while the Receiver's interest in the property is resolved. In January, after the close of the Reporting Period, the Receiver reached a resolution with the plaintiff. That resolution will be discussed in the next Status Report.
- B. <u>Collection Efforts on Judgments</u>. The Receiver has pursued collection of 32 judgments and unpaid settlements that he previously obtained on behalf of the Receivership Estate. For each of the judgments, the Receiver investigated the collectability of the judgments, including in many cases (where the amount of the judgment warranted), the employment of a private investigation firm to research the assets that might be available to satisfy the judgments.

¹³ Klein v. Battles, 2:13-cv-00560-TC, Docket Nos. 9 & 11.

Seven of the defendants in these judgments have settled with the Receiver and paid the amounts of the settlements.

For another 16 judgments, the Receiver previously determined, based on the results of his investigation, that it would be most beneficial to the Receivership Estate to abandon collection efforts on judgments that would likely be uncollectable due to, among other things, bankruptcy discharge or lack of assets held by the judgment debtor.

At the beginning of the Reporting Period, there were nine judgments being actively pursued for collection. The Receiver has determined to assign four out-of-state judgments to a collection law firm on a contingency basis, continue pursuing four Utah and Nevada defendants through existing arrangements with counsel, and to abandon collection efforts on a ninth judgment. Progress on these plans will be reported in the next Status Report.

V.

INITIAL DISTRIBUTION

On November 14, 2016, the Receiver distributed \$4.49 million to the holders of "Allowed Claimants" who were entitled to a distribution under the *Plan of Distribution* that was approved by the Court. All distribution payments related to the initial distribution have now cleared. When the issues relating to the validity of the ABI is resolved, the Receiver expects to request permission from the Court to make a second distribution to claimants.

¹⁴ The Receiver is holding an additional \$420,960.85 in proposed distributions pending resolution of the ABI Appeal. See Order Granting Receiver's Motion for Approval of (1) Proposed Distribution Methodology and Plan of Distribution, and (2) Proposed Initial Distribution as Modified, Docket No. 1231.

VI.

FINANCIAL ANALYSIS

- A. <u>Receivership Financial Information</u>. The following financial information is provided for the Reporting Period:
- 1. <u>Bank Accounts</u>. The Receiver maintains two bank accounts for the operation of the Receivership Estate: a general operating account (the "<u>Operating Account</u>") and an account holding the net proceeds of real estate sales to which disputed interests have attached (the "<u>Real Estate Account</u>"). The balances in these accounts as of the close of the Reporting Period are as follows:

| Account | Account Balance |
|---------------------|-----------------|
| Operating Account | \$962,706.55 |
| Real Estate Account | \$1,433,410.14 |
| TOTAL | \$2,396,116.69 |

Operating Account Deposits. The sources of funds deposited into the
 Operating Account during the Reporting Period are shown in the following table:

| Source | Amount In |
|-------------------------------|-------------|
| Settlement agreement proceeds | \$17,300.00 |
| Bank interest | \$129.98 |
| TOTAL | \$17,429.98 |

3. Operating Account Expenditures. The following table shows the

¹⁵ Pursuant to the Court's Order Approving the Receiver's Third Interim Fee Application for Receiver and Receiver's Professionals for Services Rendered from July 1, 2013 through December 31, 2013, Docket No. 828, the Receiver has established a separate Savings Account tied to the Operating Account in which he is holding 20% of the professional fees incurred by him and his counsel related to that fee application. Money to open this Savings Account was transferred from the Operating Account. This Savings Account has a current balance of \$122,971.35, and is in addition to the amounts reported below.

categories of operating expenses that have been paid from the Operating Account during the Reporting Period:

| Type of Expense | Amount Out |
|---|------------|
| Real estate title reports, taxes, notices | \$2,931.78 |
| Legal fees for collection counsel | \$4,124.48 |
| Storage unit, other operating expenses | \$1,549.40 |
| TOTAL | \$8,605.66 |

- 4. Real Estate Account Deposits and Withdrawals. The Real Estate Account saw bid deposits of \$110,000.00, of which \$20,000.00 was returned to unsuccessful bidders, and an additional deposit of \$381,921.51 in sales proceeds for the Expressway Business Park land (discussed in Part II above). A further \$139.50 was earned in interest and \$15.00 was paid as a wire transfer fee.
- SFAR. Attached as <u>Exhibit B</u> is a copy of the Standardized Fund
 Accounting Report for the Reporting Period
- 6. <u>Administrative Expenses</u>. On November 28, 2017, the Receiver filed his *Thirteenth Interim Fee Application* for the Receiver and his counsel, covering the period from July 1, 2017 to September 30, 2017. A hearing on this request was held on January 16, 2018, and the fees and costs requested were allowed by the Court. 17

For the current Reporting Period, the Receiver and his staff have spent a total of 55.2 hours on behalf of the Receivership Estate. Billable services provided by the Receiver during the Reporting Period total \$10,727.50. For the current Reporting Period, Dorsey's total fees, less

voluntary reductions, are in the total amount of \$48,059.25 and its out of pocket expenses total \$1,373.40.

VII.

NEXT STEPS

The Receiver anticipates addressing the following priorities in the coming months:

- 1. <u>Property Sales.</u> The Receiver will continue his efforts to sell the remaining real estate held by the Receivership Estate. He anticipates closing on two properties during the first quarter of 2018. When those sales are closed, there will be only three properties left in the Receivership Estate.
- 2. <u>Litigation, Settlements, and Appeal</u>. At this point, the only remaining litigation matters are the ABI Appeal discussed above, actions being taken to execute on judgments that have been obtained, and efforts to enforce settlement agreements previously approved by the Court.

VIII.

CONCLUSION

Upon resolution of the ABI Appeal, the Receiver expects to seek Court approval to make a second distribution to those holding allowed claims in accordance with the *Plan of Distribution*. As noted above, the remaining real property will take additional time to sell and collection efforts related to judgments and defaulted settlement agreements may be protracted

and difficult. The Receiver will continue his efforts to close the Receivership Estate as efficiently and quickly as possible.

DATED this 23 day of January, 2018.
